St. Luke's Wood River Foundation
Generosity Heals

St. Luke's Wood River Foundation's mission is to accelerate the advancement of innovative programs and services that fundamentally improve healthcare experiences in our community. We create excellence through the partnership of hundreds of people who give in different ways. All share our purpose of creating an extraordinary patient experience and advancing the health of our community.

Our organization began with an act of generosity. The Wood River Valley community came together to build and equip a new hospital. Since that time, many others have built upon this gift to make possible the technologies, life-saving and life-enhancing health services that exist today.

Generosity makes possible a level of health and care that far exceeds what is typically found in a small, rural community.

Employee and Provider Giving

Generous and compassionate St. Luke's Wood River employees and providers are part of our valued community of donors. Last year 92% of employees and 94% of providers contributed to the Employee and Provider Giving Campaign. You may give through bi-weekly payroll deductions, PTO hours, gifts of cash, check or credit card. **We invite you to partner with us by making a gift.**

Giving Back

Staff Education: Last year, the SLWR Foundation invested \$18,525 in education to send staff off to conferences and bring nationally renowned educators to the Wood River Valley.

Circle of Friends: The Circle of Friends fund enables employees to help each other in times of crisis. Last year Circle of Friends assisted 20 employees in need.

Carol and Pat McLaughlin, MD Endowment Fund: This fund provides need-based assistance for St. Luke's Wood River employees and their families, to help with emergency medical expenses.

Compassionate Care: The Compassionate Care Program helps patients in need by assisting with the cost of lodging, transportation, supplies, medications, and other health related necessities.

Equipment: Generosity has made it possible to purchase 3-D mammography, bedside ultrasound, cardiac treadmill, C-Arm, mama Natalie and other simulation training equipment.

Scholarships: Scholarships are available for mammograms, mental health services and lymphedema treatments.

Workforce Housing: The SLWR Foundation is helping retain and recruit healthcare workers in our Valley's challenging housing market by building twelve new homes for St. Luke's healthcare professionals. The first four houses are complete and the remaining four will be move-in ready by 2023.
