St. Luke's | WOOD RIVER FOUNDATION

The Heart of Health Care

Winter 2026

St. Luke's Wood River Foundation

Mission: To inspire generosity that improves health and well-being in the community.

Vision: We envision a community where generosity ensures clinical excellence and empowers health for all.

Generosity Heals

Thank you for making a difference.

100th
Procedure performed with the da Vinci 5 robotic system, just over 10 months after coming into service.

$27,532
Granted to help St. Luke's Wood River employees in need of financial assistance.

292
Patients received support for health-related necessities

$5,000,000+
Committed to support mental well-being in the community

17
Employees furthered their clinical education via staff education grants.

50
Local law enforcement officers educated in Crisis Intervention Training.

1,400
Scholarship-funded counseling sessions provided to support mental well-being.

Data as of Oct. 1, 2024 through Sept. 30, 2025.

A Grateful Patient's Gift Honors Exceptional Care

Dee Keltner's generosity supports our community's health care.

"Dr. Jennie Hooper is my forever angel," Dee Keltner said.

Last fall, while visiting a friend in Ketchum, Dee landed in the Emergency Department at St. Luke's Wood River with a severe nosebleed. Jennie Hooper, MD, treated her and ran tests, then urged her to return for a follow-up.

"We bonded instantly," Dr. Hooper recalled. "None of the tests explained her symptoms, and I wanted to see her again."

Two days later, Dee returned in good spirits but mentioned fatigue and pain across her shoulders and down her left arm. She didn't feel concerned, but Dr. Hooper ordered more tests. This time, blood work revealed elevated cardiac protein levels. Dee had suffered a heart attack.

"I was in shock but never afraid," Dee said. "Jennie was empathetic, knowledgeable and made me feel safe."

Dee was helicoptered to St. Luke's Magic Valley, where cardiologist Robert Tonks, MD, discovered her most critical artery was 85% blocked. A surgeon placed a stent and a pacemaker in Dee's chest during an emergency procedure.

"I firmly believe I was in the right place and the right hands," Dee said. "I was a walking time bomb, but I'm here today because of these two fabulous doctors."

Moved by the exceptional care she received, Dee made a generous gift to St. Luke's Wood River Foundation. Her gift is a heartfelt tribute to the care team and a powerful investment in the future of health care for our community.

Mental Health Care Access Expands in Blaine County

Dr. Christopher Doxey joined St. Luke's last summer.

For the first time, as of October 2025, St. Luke's Wood River has both a dedicated child and adult psychiatrist on staff. In 2022, former pediatrician Katie Quayle, MD, left the Wood River Valley to pursue specialized training in psychiatry. Last fall, she returned with expanded expertise to help meet Blaine County's urgent and growing mental health needs.

Dr. Quayle joins adult psychiatrist Christopher Doxey, DO, who arrived at St. Luke's Clinic – Mental Health Services in Hailey last summer. Dr. Doxey completed a psychiatry residency and earned a doctoral degree in neuroscience in addition to his osteopathic medical degree. He now brings holistic treatment rooted in neuroscience to his practice.

Dr. Katie Quayle, pictured with her two children Liv and Wilder, joined St. Luke's this fall.

Together, these exceptional clinicians have significantly improved timely access to mental and behavioral health care in our community. Recruiting Drs. Quayle and Doxey strengthens clinical capacity and advances the Blaine County Mental Well-Being Initiative, ensuring compassionate, comprehensive care for those who need it most.

Both physicians are deeply committed to community-based care, and both are accepting new patients. To support mental health care, contact Betsy Mullins at mullinse@slhs.org.

Create a Legacy With a Charitable Gift Annuity

At St. Luke's Wood River Foundation, every act of generosity helps build a healthier future for our community. One of the most impactful ways to give while supporting your own financial goals is through a charitable gift annuity. With a charitable gift annuity, you receive lifetime income and create a legacy that strengthens health care in the Wood River Valley for generations.

How It Works

In exchange for an irrevocable gift of $20,000 or more, a charitable gift annuity provides fixed annual payments to one or two individuals for life. These payments never change, offering financial stability and peace of mind. When the annuity ends, the remaining funds support St. Luke's Wood River Foundation, ensuring high-quality care far into the future.

Flexible and Tax-Smart

You can start payments immediately or defer them for a higher rate. Charitable gift annuities may be funded with cash, securities or other property. Donating appreciated assets can reduce or spread capital gains tax over your lifetime.

For details on charitable gift annuities and other planned gifts, contact Betsy Mullins at 208-727-8419 or mullinse@slhs.org.

If your estate plans include a gift to St. Luke's Wood River Foundation, please let us know. We want to thank you for your generosity, honor your wishes and invite you to our Legacy Society.

A Legacy Gift Helps the Entire Community

"We are so fortunate to have a critical access hospital of this caliber that is committed to improving the health of our community. A legacy gift will make a lasting impact for future generations."

Marybeth Flower, Legacy Society Member

Peter and Julie Stott
Buddy Wilton and Shay Doll
Dr. Kathryn Woods (2)

Employees Give Generously

We are grateful for the robust response to this year's "I Give" Employee Giving Campaign. We are delighted to share that 95% of the staff and 90% of the physicians chose to give. We are humbled by this validation of our current work and proud of the culture of giving back demonstrated here in the Wood River Valley.

We recognize the legacy of the following individuals who have been lovingly remembered through a gift to St. Luke's Wood River Foundation.

In Memory of:

Lois Allison
Ben Barrett
Lynn W. Bockemohle
Janet and Hughes Brown
Douglas E. Cochran
Sydney B. Cook
Carol Dumke
Dr. Leon Ellis
Dr. Charles Feldstein
Carl A. Gray (2)
Harvey Gray
Cynnie Griffin
Happy Hawn
David Hinson
Diane Kneeland
Peter Kremer
Dr. Pat McLaughlin
Robert L. Molinari
Dr. Terry O'Connor
Gretchen Palmer (7)
Bud Purdy
Karen Scheurmier
Carol Shepherd
James Smith
Kathy Stevens
Tom and Glen Youell
